SANDSTORM MAKES CLEAN SWEEP WITH LOCAL HIGH TEAM

Friday's Game Was a Walk-away for the Visitors When They Won 16 to 0 and Saturday's Was a See-Saw Affair and Ended 12 to 9

The Amarillo high school Golden Sandstorm baseball team made a clean sweep of the series of three games here with the local high school team, winning Thursday's game 6 to 3, Friday's 16 to 0 and Saturday's 12 to 9.

Friday's contest was a runaway for the visitors. Stockton, pitching for the visitors, was invincible and held the Vernon lads two meekly, one of them a freak. Bourland, T. Key and Norwood were alike ineffective against the Amarillo lads. Bourland had a bad finger on his pitching hand and it caused him much pain. He finally had to leave the game. Only eight innings were played Friday.

Saturday's argument was a see-saw affair, and for a time it looked as though the locals might put over a win. They heaved themselves to a five-run lead in the opening frame by mixing hits off Anderson with errors by the visiting fielders. Walker was on the pound for the locals and he was wild at times. His arm was not in pitching condition, but there was no one else to do the hurling. The visitors kept pegging away until they took the lead and came under the wire full three runs ahead of the locals. Anderson gave way to Stockton in the sixth inning when his skipper finally became convinced that the elongated left-hander could not hold the Vernon batters.

The Vernon lads played an entirely different game Saturday from the two preceding days. They ran bases like fiends and took advantage of every opportunity to get around the bases. The aggressive play displayed Saturday night gave them the first game for them, but Walker was unable to pitch as well Saturday as he had on Thursday.

WILL VOTE TWICE FOR COOLIDGE.

MISS ANNA B. HOOPER, INC.

Miss Anna B. Hooper, secretary to her father, Ben W. Hooper, chairman of the Railway Labor Board, works in Chicago, but she has been selected as delegate-at-large from Tennessee, her native State, to the Republican National Convention in Cleveland. She will, therefore, have two votes for President Coolidge—one in the convention and a second time at the general election, if he is nominated.

QUANAH PASTOR IS BUSY WEEK IN OIL HERE MOTHERS DAY FIELDS NEAR TOWN

REV. J. W. STOREY OCCUPIES PULPIT OF METHODIST CHURCH SUNDAY

Special Mothers' Day services were held at the First Methodist church, Sunday morning. Rev. J. W. Storey, pastor of the First Methodist church of Quanah, occupied the pulpit at the morning hour. Dr. Dickinson, the pastor, exchanging pulpits with Rev. Mr. Storey at which time Dr. Dickinson delivered the baccalaureate sermon for the Quanah High school graduates.

Rev. Mr. Storey in his address spoke of the beautiful home life of a real American family and what the influence of a good mother meant to the boy or girl, man or woman. He paid a beautiful and touching tribute to his own mother, who had in an indirect way been the cause of his entering the ministry, by her teachings and wonderful influence.

He stressed the fact that we do not honor our mothers as we should and that we should be more careful in our walk in life to show the proper appreciation of her life of sacrifice.

The choir sang a song dedicated to motherhood to the tune of Annie Laurie and the scripture readings for that day had been arranged to be in keeping with the occasion.

New Train Schedule for Denver To Start Thursday, May 15

The following changes will go into effect in train service on the Denver, Thursday, May 15:

Northbound.
Train 1, will arrive at 3:37 p. m.
Train 3, will arrive at 5:25 p. m.
Train 7, will arrive at 5:29 a. m.

Southbound.
Train 2, will arrive at 12:55 p. m.
Train 4, will arrive at 7:00 a. m.
Train 8, will arrive at 12:55 a. m.

FRACTURED LEG RESULT OF KICK BY HORSE

Howard Chadwick, 33, was kicked by a horse yesterday morning about 9:30 o'clock. The accident occurred about four miles east of the city where the young man was loading some cross ties. The bone in the lower part of the right leg was badly splintered. He is recovering nicely.

Returns From Sherman.

Mrs. H. K. Greener returned this afternoon from Sherman where she has been for several days visiting her daughter, Miss Frances. Miss Greener was princess in the May Pageant at Kidd Key College.

Vernon Girl Visits Historic Home of Ancestors in East

Miss Vera Harrington, who is studying music in New York City, was a visitor recently at the historic home of her great-grandfather, Jonathan Harrington at Lexington, Massachusetts.

Harrington was photographed standing in front of the well-preserved house built in Colonial times. In the foreground of the picture, is seen a large tablet marking the line of the "minute men" and the "Old Harrington House" in the distance.

The location for the new well is about one-half a mile east of Stephens No. 1. A large star rig will be used and the well is being drilled on a fifty fifty basis by the Dallas man and the Stephens family. The contract allows sixty days for the actual start of the work, but arrangements are being made now to drill at once.

Stephens No. 1, 2, and 3 are all on the pump. Richardson No. 1 in the same field is drilling at a depth of 1250 feet.

Wells and Guertson are erecting a derrick on the southeast quarter of section 99, about one fourth of a mile west of Church No. 1. Drill place, on the same section. Murchison and Pigg have erected a derrick one mile south of Vernon on the Hale Davis farm.

The Lollar Farm Oil Company on the L. A. Lollar farm, four miles east of Tolbert, is now drilling at 340 feet.

Ten Students of Harrold High To Graduate Friday

Ten students of the Harrold High school will receive diplomas Friday night at the High school auditorium at commencement exercises. W. N. Stokes of Vernon, will give the commencement address.

Miss Julia Morris is valedictorian of the class and Homer Morris is salutatorian. A special program has been arranged for the evening by R. S. Covey, superintendent of the schools and the public is cordially invited to attend.

Dr. E. L. Moore preached the baccalaureate sermon Sunday morning at Harrold.

The class play "Borrowed Money," will be presented by the class Saturday night at the High school auditorium.

The members of the class are: Misses Julia Morris, Oaul Grillo, Nannie Sanderson, Verna Chapman, Ha Vaughn, Kate Neal and Abner Morris, Joe Kinsey, George C. King and Glen Paragay.

Play at Midway Thursday.

The students of the Midway school will present a farce comedy Thursday night at the Midway schoolhouse entitled "The Bashful Mr. Bobbs." The public is cordially invited to attend.

Marriage Licenses.

Only one couple received license to marry last week. They were O. L. Bridges and Miss Jewell Beatty.

200 COAL DEALERS EXPECTED TO BE HERE NEXT WEEK

Final Arrangements Being Made To Entertain Retail Coal Dealers' Convention Here May 21-22—Many Speakers on Program

Final arrangements have been completed for the Retail Coal Dealers Convention to be held here next week, May 20-21. The program has been completed and arrangements are being made toward the care of the visitors.

More than 200 retail and wholesale coal dealers are expected to be here and every one who has rooms for rent are requested to notify the Chamber of Commerce at once in order that the last roll call will not find the visitors hunting places to stay while here.

All sessions of the convention are to be open to the general public and whether interested or not all are cordially invited to attend in order that they may learn a few of the reasons for the acute conditions of the coal business during the winter months, when coal is so hard to obtain.

The program of the convention includes many speakers of national fame in the coal industry and several prominent business men of Vernon are to address the convention on various phases of the coal business.

CLASS OF 61 TO RECEIVE DIPLOMAS AT HIGH SCHOOL

Vernon School's Largest Class To Graduate This Year—James H. Lowry To Give Class Address—Baccalaureate Sermon Sunday

The largest class ever to graduate from the Vernon High school will receive their diplomas Friday, May 23, at the High school auditorium when James H. Lowry will deliver the class address. There are 25 boys in the class this year and 36 girls, making a total of 61 students. Last year there were 47 students to graduate, which was the largest class ever to graduate before from the High school.

Members of the class are: Boys—Herman Abbott, Nolan Backus, Del Blake, Verne Bowers, George Bryant, Allen Carney, Edwin Coleman, Orva Cook, Chasney Estes, Thornton Ferguson, Rola, Hammock, Guy Hamard, Calvin Littleton, Noel Mason, Ossie McDonald, Fred Minarik, John Perry, Victor Smith, P. L. Sneed, Weldon Snodgrass, Robert Stokes, Andy Thompson, Joe Bray Vaughn, and Leo Casticherry.

Girls—Kathleen Batcher, Schae Baird, Phyllis Barnes, Merle Brunson, Annie Cagle, Faye Clark, Anna Belle Collins, Edna Mae Cooper, Mattie Mae Davenport, Catherine Dodson, Madeline Fahn, Gertrude Falls, Jewel Holliman, Bernice Harris, Hazel Havis, Margaret Sue Hiatt, Elizabeth Hicks, Christine Keltz, Ruby Key, Willie Lowery, Frances Parr, Lucile Rainwater, Mattie Mae Roford, Mildred Robertson, Lois Rutledge, Myrtle Samuels, Susie Scott, Mae Simpson, Aline Spears, Leona Thompson, Lois Thompson, Katherine Wheatley, Vera White, Annie Woolfolk, and Marie Yarbrough.

Commencement week promises to be full, commencing with Sunday, when Dr. E. E. Dickinson will deliver the baccalaureate sermon at the First Methodist church.

The class will present a three-act farce comedy, "Come Out of the Kitchen," Thursday night, May 22 at the Vernon Theater. The cast has been rehearsing for some time, under the direction of Miss Anna Harrington, and is now ready to present the production. The play centers around a southern hunting lodge. The Daingerfield children have leased the home and have specified the lease that while servants will be furnished. At the last moment it is found that it will be impossible to get the servants so the children have to take their places. Many trials and peculiar situations arise from the situation but all is straightened out when Jane Ellen "Comes Out of the Kitchen" and marries Mr. Crane, the northern gentleman.

The members of the cast are as follows: Katherine Wheatley takes the part of Jane Ellen Daingerfield and Thornton Ferguson is Mr. Crane, the northern gentleman. The other Daingerfield children are Mandy and Cora, played by Willie Lowry and Mildred Robertson. Chasney Estes is Mr. Smithfield, Noel Mason is Mr. Tucker, Randy Joe B. Vaughn will take the part of Tom Lefferts. Faye McKinley will appear as Aramiah, Nolan Backus will play the part of Brandy, and Annie Cagle will take the part of Mrs. Pauline.

Mrs. Elizabeth Ritter Gould of East Vernon recently died at the home of her son, L. W. Gould, Sunday evening at 8:25 o'clock, after an illness of nine weeks. Funeral services were conducted yesterday afternoon at 3 o'clock by Rev. Frank McNair at the Tolbert Baptist church, of which she was a devoted member and the body was laid to rest in Tolbert cemetery by the side of her husband, W. S. Gould, who died March 29.

Mr. and Mrs. Gould moved to this county in 1910, coming here from Alabama where they were born and reared. She is survived by a son, L. W. Gould, of East Vernon, with whom she had made her home and a daughter, Mrs. G. S. Upshaw, of Tolbert.

Vaughn Quartet Here. Messrs. Hamilton, Trigg, Jameson and Vaughn of the Vaughn quartet of Jacksonville, Tenn., were guests Sunday of Mr. and Mrs. C. D. Williams. They sang at the Baptist church, Sunday night.

Mr. and Mrs. Gould moved to this county in 1910, coming here from Alabama where they were born and reared. She is survived by a son, L. W. Gould, of East Vernon, with whom she had made her home and a daughter, Mrs. G. S. Upshaw, of Tolbert.

BISHOP WILL FIGHT HERESY CHARGES.

BISHOP WILLIAM M. BROWN.

Bishop William Montgomery Brown, of the Protestant Episcopal Church, of Gallon, O., who retired ten years ago as Bishop of Arkansas, will be tried publicly by nine other Bishops in Cleveland, O., on May 27, on charges of heresy, growing out of his recent writings. He declares he expects to place the entire orthodox Christian religion on trial by demanding of all Bishops if they accept the entire Bible literally, adding that if they do they are hopelessly at odds with modern science. This battle between the fundamentalists and modernists is said to be the first heresy trial of a Bishop since the Protestant reformation.

A. H. MURCHISON TO BUILD SOON

VERNON MAN BUYS PROPERTY NORTH OF WAGGONER BANK TO START BUILDING

A. H. Murchison will start the erection soon of a modern two-story brick building on the site on Main street acquired Saturday from the Waggoner Bank officials and J. A. Dixon, just north of the Waggoner Bank.

Mr. Murchison purchased fifteen feet including half of the north wall of the bank building from the directors and ten feet front from J. A. Dixon.

No contract has been let toward the erection of the building but it is stated that the new structure will be two stories high extending back fifty feet and the remainder of the building will be one story. It will be modern in every respect. The front of the building will be of the same material used in the front of the building, now being erected in the same block for C. T. Smith and will also conform to the front of the building to be constructed by J. A. Dixon, just north of the Murchison property.

J. D. Huntley Goes To All Fires But Three Since 1921

J. D. Huntley, Vernon fireman, has answered all five calls since January 1, 1921, with the exception of three, which is a near perfect record. Since January 1, 1921, there have been 225 fire calls in Vernon and eight in the county. 222 of these fires and all of the out of town fires were answered by Mr. Huntley. When asked what he thought of the record he had made, he stated that he thought he had been staying pretty close to the wagon. The out of town fires were at the Slinger oil well, at the large school house, at Harrold, at Mountain, Minarik slaughter house and two automobile fires.

Mrs. Elizabeth Gould Dies in East View Community Sunday

Mrs. Elizabeth Ritter Gould of East Vernon recently died at the home of her son, L. W. Gould, Sunday evening at 8:25 o'clock, after an illness of nine weeks. Funeral services were conducted yesterday afternoon at 3 o'clock by Rev. Frank McNair at the Tolbert Baptist church, of which she was a devoted member and the body was laid to rest in Tolbert cemetery by the side of her husband, W. S. Gould, who died March 29.

WHEELER MAN DIES HERE LAST NIGHT

E. E. HOLT, FATHER OF MRS. J. B. MORRIS DIES AT HER HOME YESTERDAY

E. E. Holt, 77, retired ranchman, and president of the Bank of Wheeler, died here last night at 10:20 o'clock at the home of his daughter, Mrs. J. B. Morris of Texas street. Mr. Holt, who had been ill for some time, accompanied his daughter and her family home last week, thinking that his health might be benefited by the change.

At his bedside when he died were his two sons, Sam Holt of Springfield, Colorado, and J. W. Holt of Winslow, Arizona, and his daughter, Mrs. J. B. Morris. Mr. and Mrs. Sam Holt, J. W. Holt, Mr. and Mrs. J. B. Morris and Mr. and Mrs. A. P. Morris accompanied the body to Wheeler today, driving through. Interment will take place tomorrow morning at 10 o'clock in the Wheeler cemetery.

Mr. Holt is survived by his wife, two sons and three daughters. The children are Sam Holt of Springfield, Colo., J. W. Holt of Winslow, Arizona, Mrs. J. B. Morris of Vernon, Mrs. C. E. Roy of Crosbyton, and Mrs. J. P. Greene of Wheeler. All will be present for the funeral except Mrs. Roy, who is ill in a sanitarium at Lubbock.

VERNON MEN LEAVE EARLY YESTERDAY FOR BROWN

1150 ATTEND SUNDAY SCHOOLS

IS 145 LESS THAN LAST SUNDAY
—91 LESS THIS MONTH THAN
SAME PERIOD LAST MONTH

Pupils and visitors to the number of 1150 attended the various Sunday schools Sunday with a collection of \$55.76. This is a decline of 145 from the attendance last Sunday and the drop in the amount of collection was \$13.24. The decline in attendance and collection has been about the same for the last two Sundays. The largest number to attend the Sunday schools this year was 1408 which was on the last Sunday in April. The largest amount to be given in collection this year was April 20 when \$74.84 was turned into the various Sunday school treasuries. The largest amount given by any Sunday school was \$34.95, which was contributed by the Central Christian church on Sunday, April 20. This was the last day of the Sunday school contest between the Central Christian church of Vernon and the Elberta Christian church, in which the local church won.

The report for the various Sunday schools last Sunday is as follows: First Methodist church, 309 present with \$14.80 collection; First Baptist Church, 392 present with \$17.97 collection; Federated Presbyterian church, 79 present with \$3.20 collection; Church of Christ, 188 present with \$6.65 collection; Central Christian church, 150 present with \$10.60 collection; Lutheran Church, 32 present with \$2.50 collection. Total present at all Sunday schools 1150 with \$55.72 collection.

The total number present at the various Sunday schools so far this month is 2445. This number is 91 less than the number present for the same period last month during which time there were 2536 present. The amount of collection for the first two Sundays in May is \$112.78 which is \$26.86 less than the amount turned in during the first two Sundays in April which was \$139.64.

EDUCATION THAT EDUCATES

Who said education was not growing more safe and sane in Texas? Who said boys cared more for athletics than they do for the educational side of school life? How many of us ever heard of high school boys traveling all over the State from the Rio Grande to the Davis Mountains to see a ball game? Who said boys would not appreciate the useful, practical essential things of the State did go to the expense of providing the equipment and furnishing the teachers?

Somebody did, but somebody did NOT know BOYS. Boys are MEN in embryo and some day the world is going to recognize and accept that fact. Boys want to be men. And boys try their best to act and grow and do like men and that is why they make so many mistakes. That is why they get into so much devilment. The trouble is they follow the line of least resistance and that line leads them to copy the men who are the easiest to copy. But whose fault is it? Surely not the boys'.

Last week 365 high school boys traveled all the way from 160 to 1,500 miles by autos, by rail and every other way from their home high schools to College Station to take part in the first Smith-Hughes stock and agricultural judging contest held at the A. & M. College. They came from 49 different high schools. It may be interesting to know some of the Texas high schools that are so fortunate as to have the advantage of the Smith-Hughes work in their course. For this reason we are giving the names of the high schools represented at the first Smith-Hughes stock-judging contest ever held in Texas. It was one of the greatest high school contests ever held in the U. S. A. But that is natural. Why should not Texas have the greatest contest in agriculture and stock raising, when she is the greatest agricultural and stock producing State in the Nation. And for this same reason can anybody find a just excuse for not teaching stock judging and agriculture to every farm boy in Texas?

Give the farm boys of Texas what their future life and their State calls for and every man in Texas 25 years from today will be a self-supporting and independent citizen. There is room in Texas for every school boy in the State to own a farm and have a home of his own in Texas if he is only trained how to get it and raise the stock and do the kind of farming that will pay for it. But those schools were: Farwell, Littlefield, Lubbock, Silverton, Mineral Wells, Farmersville, Stephenville, Moore, Prairie Hill, Lewisville, Calvert, Bellville, Mason, Groesbeck, Lindale, Livingston, Taylor, Granger, Willis, Mt. Calm, Flatonia, Goforth, Buda, Eden, Martin, Dilley, Alto, Athens, Austinell, Big Foot, Canyon, Coolidge, Corsicana, Cotulla, Del Rio, Dublin Fort Worth, Hillsboro, Justin, Kerrville, Kress, Leesville, Pearsall, New Waverly, Austwell Panhandle and Wallis.

Does your school come in this list. If it does not do you realize

you are cheating the boys of your school and your country out of this training while YOU pay the tax to help support the work for all these other schools. That's just what you are doing if you have not spunked up and put the Smith-Hughes agricultural work into your OWN HOME high school. It is for everybody who is willing to make the effort and sacrifice and pay their part of the cost. However, it is a mistake to mention the word "sacrifice." It is not a sacrifice to any school in this State to provide the Smith-Hughes work. Instead it would be the very best INVESTMENT a county could make for its boys. And so far as cost is concerned any county would save the cost of such education on the cost of the courts.

All right. If you do not believe this look up two things. First look up just for your own curiosity just what it would cost your school to put in the Smith-Hughes work. Find out what it is and how to get it. Second, go to your county records and look up what your delinquent records and look up what your delinquent boys have cost the county this year. And then there is a third thing that every school patron and school trustee ought to know. "So suppose you find out just how many boys there are in the reform school who have had this training. And you might go a step farther and see how many men there are in the State penitentiary who are high school graduates and who ever had a chance in school to learn anything that helped them to make an honest living with their hands and feet and time.

We BELIEVE in Texas BOYS. They are the finest bunch of boys on earth. And if the State will treat them right and fair and keep them growing physically and mentally, and give them the kind of a high school education that the whole half million can use to help them make a living, and cut out some of the war and dead languages and higher mathematics and give them in their younger and more dangerous years something that appeals to their nature, something that they can use every day of their lives, something that will lift them onto the life they are to live and the work they must do to make a living, something that will actually educate them for the duties of life instead of simply cram their brain cells full of facts and figures and dates and other educational junk to be forgotten as quick as the monthly examination is over and NEVER used or put into practice it will hold boys in school until their most dangerous period is past. And then when they do leave school they will know something that will help them climb the hill of success in life.

Those 365 high school boys were welcomed to the A. & M. College by Dean E. J. Kyle and C. H. Winkler of the Department of Agriculture when they assembled in the judging arena of the Animal Husbandry building at 8 o'clock in the morning and immediately went to work judging livestock, poultry, seeds.

"MEN'S AND BOYS' OUTFITTERS"

STATE UNIVERSITY INSTALLS UNDERGROUND SYSTEM

A recent improvement on the campus of the University of Texas was the installation of an underground distribution of electric lines, according to G. A. Endress, superintendent of construction. The system was designed by Dr. J. M. Bryant, professor of electrical engineering in the University. It has done away with the separate wires and meters for each building, only one meter being used now. Every building on the campus is connected with this meter. Not only does the campus look better without the many overhead lines, but the new system is more economical and much time is saved in reading the one meter. Because of the large amount of electricity registered in one meter, the University gets cut rates. The underground wires also insure safety, it is stated.

Single Thomas and sisters, Misses Little and Thida returned home from Denton Monday where they have been visiting friends and relatives.

AUSTIN TO MAKE BID FOR TEXAS CENTENNIAL

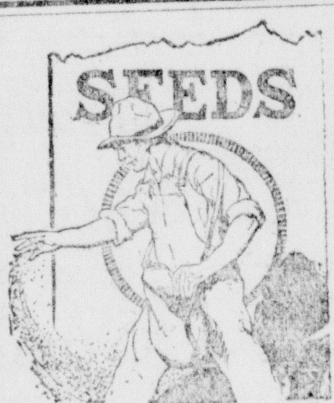

The Travis county committee for the Texas Centennial has issued a call for a mass meeting to be held in the Senate chamber of the State Capitol Sunday, May 1, at 3 o'clock.

At this meeting Austin's effort to secure the location of the Centennial was outlined and a definite plan of action before the State convention which assembles in Austin May 21, was decided upon.

A number of prominent and well informed speakers addressed the meeting. It was fully explained how the Centennial can be secured and what its location here will mean to Austin and all Central Texas.

That the exposition buildings could be designed and constructed to meet the desperate needs of the University of Texas and could be turned over to that institution at the conclusion of the Centennial, is one of the strongest arguments in favor of the selection of Austin as the site of the Centennial, in the opinion of the strongest supporters of the Centennial movement here.

A. H. Meredith and E. H. Pigg were in Wichita Falls Saturday on business.

Vernon M. F. A. Wins Over Childress M. W. A. 12 to 2 Sunday

The Modern Woodmen of America baseball nine of Vernon defeated the Childress Modern Woodmen of America Sunday afternoon 12 to 2 at the baseball park at Lake Tule. The Vernon boys showed excellent form throughout the game and the team promises to be one of the best in this part of the state. The nine is made up of boys who have played semi-professional baseball and is under the able management of T. P. Lisman, Jr.

A return game will be played with the Magnolia Petroleum team at Spudder Park in Wichita Falls next Sunday. The reputation of the two teams promises to draw a good crowd for the game.

THE BEST PROPOSITION EVER OFFERED

There is no longer any excuse for the renter not owning land or the small land owner not owning more land, and no excuse for the city salaried people not owning a farm, as we are going to make it possible for every one to own a home and secure some of the safest security on earth, which is the earth itself. It should be the desire of every man and every woman to own a home. Just think of the pleasure of being independent, and no one can really be independent unless they own a home so they will not have to move every few years.

We now have in Gaines County 38,000 acres of land that we are going to sell very rapidly in 80 acre tracts or multiples thereof on the following basis: \$200.00 cash on each 80 acre tract, and \$25.00 per month for ten years or 120 months. \$25.00 per month pays the principal, all interest, and all taxes for three years, and also given insurance protection against death or total disability. Should purchasers who buy land from us on this basis happen to die all the remaining payments will be cancelled; or should they become totally disabled, such as loss of both arms, both lower limbs, or one arm and one lower limb, both eyes, or become paralyzed; the remaining payments will be cancelled; and if the purchaser should be sick as long as thirty days at any one time they will have 90 days of grace in which to make their monthly payments as the case may be; but because the while the purchaser was sick, for instance, if two or three payments became due while the purchaser was sick, or whatever number of payments became due, they would be allowed 92 days of grace in which to pay these particular payments. However, we would require a certificate from a physician as to the exact length of time that the purchaser had been sick. On each and every payment the purchaser will be given 10 days of grace in which to make the payment. The purchaser will have the right to pay off the remaining payments at the end of any one month during the life of this contract and save all the unexpired interest and unexpired insurance protection.

Did you ever in your life hear of such a fair proposition to the purchaser or purchasers of real estate? The purchaser is absolutely protected because in the face of the note that he or she signs it plainly states that all payments will be cancelled in case of total disability or death, and also the days of grace are shown, as well as the fact that the purchaser has to pay at the end of each month in order to get a clear title to the property; and each purchaser gets a copy of the note so that he or she will at all times know just what has to be paid at the end of each month in order to get a clear release.

We will have a deed made to the land when there is as much as \$350.00 paid, or \$200.00 cash and six monthly payments of \$25.00 each; but should a purchaser want a deed at once we will have same made provided they will pay as much as \$350.00 cash with the same terms on the balance as stated above, and in that case they would not have any other payments to make for six months, at which time the regular monthly payments of \$25.00 would start. If any one should want to make weekly payments instead of monthly payments they may do so and still have the insurance protection, but in order to secure the insurance protection the purchaser will have to be not to exceed 65 years of age and will have to stand a medical examination (at the expense of the F. Z. Bishop Land Co.); but all those who cannot stand a medical examination and yet want to buy land may still do so though they will not receive the insurance protection and will be charged \$2.50 less on their payments.

This land will be for sale in 80 acre tracts or multiples up to several thousand acres, or any amount that the purchaser may want, at \$25.00 per acre, 30 per cent cash when the deed is made, on the following terms: 15 per cent cash when the sale is closed and 15 per cent payable November 1st, 1924, the remainder in ten equal payments commencing November 1, 1924, bearing interest at the rate of 6 per cent, notes payable on or before.

We will furnish an abstract with each 80 acre tract and we will not under any circumstances sell less than 80 acres as every man or woman should own enough land to make them a good living and be able to lay up some money for old age.

This land is located in the shallow water belt of the Plains, good water obtainable at a depth of 20 to 60 feet, and at 40 to 60 feet there is an abundance of good water for irrigation purposes, is one of the best fruit belts on the Plains and will stand the drought as good as the best, is one of the best cotton countries and will produce all kinds of crops, such as Kaffir, Maize, Higer, Corn, Sorghum, Sudan Grass, Wheat, Oats, Rye, Barley, Field Beans, Peas, Melons, Apples, Plums, Cherries, Peaches, etc., and there is one of the finest apple orchards to be found on the Plains near this and containing 60 acres.

This land is known on the Plains as "cat-claw" land, which is a medium between the tight land and the very sandy land. It is a beautiful reddish and chocolate sandy loam, very fertile, elevation approximately 3,000 feet, and out of the boll weevil district.

Two bales of cotton per year at the present price of cotton will pay all the deferred payments on 80 acres of land; 4 bales will pay on 160 acres; 6 bales on 240 acres, and 8 bales on 320 acres. Just think, Mr. Renter, of being able to buy 80 acres of land for \$200.00 cash and \$25.00 per month, no interest, and no taxes for three years, and with the insurance features to cover in case of death or total disability, and land on which you can make a good living by planting 30 acres in Kaffir, Higer and Sudan Grass and other feed crops, feed two work horses and then have enough left over to feed a few hogs, chickens, a few dairy cattle, and have land that you can safely make an average of at least 12 1-2 bales of cotton when only two bales at the present price of cotton is necessary to make your payments for the year, or 12 monthly payments which figure \$300.00. Cotton should stay as high as at present for several years to come as the boll weevil and other insect pests and high labor and high priced fertilizer has ruined East Texas and the eastern cotton producing states, and the demand for cotton is greater than the supply. That is what forced the price of cotton so high and that is bound to keep it high.

As a suggestion to the city salaried people, it would be a good thing for you to save your money and make a good speculation, a good investment, and receive a big income in the way of crop rent, as this land can be rented to farmers who locate on adjoining tracts or nearby and who are not able to buy more than 80 acres of land but want to rent additional land, without ever having to go to the expense of putting a house on same; but if it became necessary to put a house and water on the land it would be very inexpensive to improve it sufficiently to rent. According to the writer's judgment this land will easily pay during the next ten years \$10.00 per acre crop rent on land that is planted to cotton, and at least \$6.00 per acre an all that is planted to grain crops and feedstuffs. This beats any savings bank on earth, and the insurance feature is as safe as any life insurance company's policy because in the face of the note it plainly states that the remaining payments will be cancelled in case of death or total disability, and whoever should own the notes at the time of death or total disability of the purchaser would have to live up to the contract. Therefore, no one can criticize this method of selling land as we are simply making it possible for the wage-earner and the small farmer to buy land. There are a great many farmers' wives who make enough money selling chickens, eggs, milk and butter every month to pay for an 80 acre tract of land.

We will soon have good schools, churches, good roads, and every other convenience that the old settled country has, and if you want to buy some of this land we would strongly recommend that you act and act quickly as the demand for this good land, in the shallow water belt, one of the best farming countries on the Plains, and on the best terms ever offered, will soon be sold as there are plenty of buyers in each of the old settled counties in Texas who want a home and who can buy a home and who will buy this land on this basis and buy it quickly.

Now, Mr. Renter, what excuse are you going to offer your wife and children for not buying them a home after we have made it possible for you to buy them a home in a good country with a good climate, where you can get good water with practically no expense, and where you can put your land in cultivation very cheaply, as what little grubs are on it can be grubbed up in a very short time, and it can be plowed with teams, a very cheap house can be built to commence with, if necessary, and with the extra ten bales of cotton one can soon be able to build a nice house and buy more land, and be independent.

ARE WE SURE WE HAVE UNIFORMITY?

It is surprising to what lengths some of us go in our effort to cure all evils by legislation. A need has been recognized in the lack of uniformity of marriage and divorce laws of the various states of the Union, and now we have an agitation for an amendment to the Federal constitution transferring from the state governments to the Federal Government the right to regulate marriage and divorce.

The proposition in the abstract seems desirable. Certain undesirable effects follow variations in the laws of the different states on these subjects. But we forget that marriage and divorce laws are inseparably linked with laws on property rights, the rights of children, and the exercise of the police power.

With the adoption of an amendment to the Federal constitution taking away from the states the right to regulate marriage and divorce, the need of extending the Federal authority to these other collateral issues will immediately become apparent.

There is one objection to such a step which should forever set all people who believe in the traditions of the South against the proposal, and that is the almost absolute certainty that if the Federal Government ever gets control over the matters of marriage and divorce our laws in the Southern States prohibiting intermarriage between the white and black races will be done away with.

Such intermarriages are permitted in a large number of the northern and western states.

Shall the people of Texas exchange the right to prohibit such marriages for the doubtful advantages of uniformity in marriage and divorce laws?

Shall the people of Texas surrender their right to regulate property rights of women and children for sake of being able to know that the laws are the same throughout the country?

Once the right to regulate marriage and divorce is surrendered to the Federal Government the next step will be to do away with our separate schools for the different races and the separate coach law.

Some people are advocating the constitutional amendment designed to give us uniform marriage and divorce laws without, apparently, giving any thought to what it leads to. This must be true of some of the women's clubs whose leaders are supporters of the proposal. The Record cannot believe that the club women of Texas are in favor of social equality of the races and of intermarriage between the races, yet some of them are urging that a step be taken that must inevitably lead to just these things. Therefore, the most charitable view of the matter is that they have given endorsement to the proposed amendment without giving thought to what the ultimate outcome will certainly be. Once the control of domestic relations is transferred from the states to the Federal Government, our Southern ideas and ideals about the proper relation between the races will become but a memory.

The people of Texas, The Record confidently believes, are not ready to sanction marriages of negroes and whites. The Record does not believe that we have yet reached that stage in our social ideals where we are willing to have our children attend the same schools with negroes. The Record does not believe that we are yet willing to repeal the separate coach law and allow intermingling of the races in the occupancy of hotels and use of passenger trains. Yet some very good people are urging us to approve a proposal that leads to such

Violations of our traditional policies with reference to dealing with the race question in the South.

THE JOHNSON BOOM FIZZLES OUT.

It would be difficult to conceive of a more abjectly pitiful aspect than the present status of the presidential candidacy of Senator Hiram Johnson of California. His failures in a number of states that were supposed to be favorable to his particular brand of political philosophy must have been disheartening to him and his supporters, but when California, his home state, where he had supposed himself to be impregnable, turned him down for a New Englander the results were positively humiliating.

Senator Johnson had been a dealer in bombast, a tooter of his own horn, a self-constituted guardian of the ark of the people's rights. He has always been long on talk and short on accomplishments, has stood for nothing in particular but everything in general which promised to keep him before the people in a favorable light, and all the time he has fancied that he was a great leader.

He, accordingly, submitted his statesmanship, or rather his lack of statesmanship, to the arbitrament of the ballot box, and the result has been anything but complimentary to the Senator. He was repudiated by the Republicans of the nation as a whole and now he has been repudiated by his own California.

It has long been apparent that Senator Johnson's ambitions to become the nominee of his party for President were doomed to disappointment. He has sought to create a tolerance for his candidacy by the threat to organize a third party, but this threat has been shown of its fearfulness by the pitiful plight of being a man rejected by his party in his own state. As long as he held the support of California he was in position to in a measure dictate terms and force compromises, but he has now lost that small advantage. The Johnson boom has been rather rudely pricked, but no loud explosion followed the operation. Not even a respectable sizzle was heard. His ambition to become President has been interred without benefit of clergy and with very few mourners.

RECORD POT SHOTS.

You seldom see a speed maniac elected President; an honest umpire; a grouchy undertaker.

Most school teachers should be able to give their pupils first hand information on thrift and economy.

A Texas Republican lived to be ninety years of age, and yet some folks say we are intolerant.

Those German executioners who committed suicide got the Golden Rule reversed. They did unto themselves as they had done to others.

FOSTER'S WEEKLY BULLETIN.

Washington, May 10, 1924.—As official science, headed by Doctor Ellsworth Huntington, of Yale University, noted scholar and authority, has in effect, endorsed Planetary Weatherology, it relieves me of the necessity of discussing causes, and I will now begin the finishing part of my life work and let the official scientists fight out their differences as to details. While they are settling those differences I will give to North America better long-range weather forecasts than they have expected. Of course the official scientists will give me no credit for having won the long battle for Planetary Weatherology.

June will be the best crop weather month of the year, but not as good for outdoor affairs as May. I had agricultural experience on the rich farm lands of Illinois and later worked on the farm to help pay my way into college. I have a right to say that many farmers do not get down to what is called "intensive farming." I ask that farmers try intensive farming during balance of May and note, by end of June, the effects on the crops as an average of the continent, but a little below the ten-year average, the greatest shortage being wheat. The general North American crops for 1925 will be considerably short with good crops in some localities. Everyone should carry over a little wheat for latter part of 1925.

Weather man for next ten days. Not much rain; rather quiet storms. Very low temperatures and poor weather west of Rockies crest; moderate temperatures and fair crop weather east of that line. Section 1, highest 13 and 19, lowest 11 and 17, lowest 14 and 20. Section 2, highest 13 and 19, lowest 11 and 17, lowest 14 and 20. Section 3, highest 14 and 20, lowest 12 and 18, lowest 15 and 21. Section 4, highest 15 and 21, lowest 13 and 19, lowest 16 and 22. Section 5, highest 16 and 22, lowest 14 and 20, lowest 17 and 23. Section 6, highest 17 and 23, lowest 15 and 21, lowest 18 and 24. Section 7, highest 18 and 24, lowest 16 and 22, lowest 19 and 25.

Two years ago I advised most rain would fall on long southeastern slopes, because the evaporation of sea waters was in that direction. That influence died out long ago. Till very recently I had overlooked a similar but weaker cause of evaporation—a new discovery—that enables me to see a little better crop weather for 1924, for a large and important section of North America.

Within 100 miles of San Francisco, in its eastward surroundings, the great winter drought has been very severe, and as it is an annual, smother, the winter "greens" we have, the loss is great.

I have quite a number of pamphlets in reference to the causes of weather changes. Subscribers to this paper can get one of them free by sending their address to 32 T. Street, N. E., Washington, D. C.

Card of Thanks.

We wish to thank our good friends and neighbors for their kindness and sympathy in the sickness and death of our beloved son, Finis, and for the beautiful floral offerings contributed.

Miss Ella Storey and Bomar M. Wright Are Married in Dallas

Mr. and Mrs. Cecil Storey, Mr. and Mrs. John A. Storey and little Miss Inez Storey have returned from Dallas where they attended the wedding of Bomar M. Wright and Miss Ella Storey, Thursday evening. The bride is a sister of the Messrs. Storey and has visited here several times.

The following account of the wedding appeared in a Dallas paper:

The marriage of Bomar M. Wright and Miss Ella Storey, daughter of Mr. and Mrs. W. E. Storey took place Thursday evening at 8 o'clock at the home of the bride's brother, F. B. Storey, 5623 Richmond avenue. The Rev. Harold Major officiated with the ring ceremony.

During the pre-nuptial musicale, Mrs. Bomar Storey sang, "I Love You Truly," and "Till" accompanied by Mrs. Nannie Sims at the piano, who also played the wedding march. During the ceremony Miss Dorothy Davis, violinist, played.

The bride's gown was of white Chantilly lace over georgette and was embroidered in rhinestones. Her veil of tulle fell from a coronet of orange blossoms. Her slippers were white satin and her flowers were bride's roses and valley lilies in shower bouquet. She was given in marriage by her brother, J. A. Storey of Vernon.

Mrs. C. E. Moseley and Mrs. F. B. Storey were matrons of honor. Mrs. Moseley wore a gown of Nile green georgette, lavishly embroidered in crystal and rhinestones. Her flowers were pink peonies in arm bouquet. Mrs. Storey's gown was of orchid georgette with girde of silver. She wore silver slippers and carried an arm bouquet of pink peonies.

Miss Ruth Drumwright of Teague was maid of honor. Her frock was pink georgette with silver accessories. Her flowers were orchid sweet peas and pink peonies in arm bouquet.

Miss Margaret Weaver, the bridesmaid, wore a frock of orchid georgette, with silver trimmings. She carried an arm bouquet of peonies.

Little Miss Evelyn Erwin, wearing a dainty yellow frock, and little Miss Inez Storey, of Vernon, were flower girls. They carried baskets of rose petals, which they scattered in the pathway of the bride and groom.

Master Enius Scoggin, Jr., was ring bearer. He wore a white suit in suit and carried the ring in the heart of a lily.

Cecil Wright, brother of the bridegroom, was best man. The groomsmen were F. B. Storey and L. L. Storey.

An informal reception was held following the ceremony. The wedding cake, resting on a mound of pink rosebuds and valley lilies, was the center decoration of the table.

Miss Daisy Weaver presided at the bride's register. An ice course was served to the 100 guests.

After a wedding trip through California, Mr. and Mrs. Wright will be at home at 4916 San Jacinto street. The bride's traveling costume was beige chairmen with accessories in harmonizing tones.

The out-of-town guests for the wedding were: Mr. and Mrs. C. E. Moseley, Sulphur, Okla.; Mr. and Mrs. Cecil Storey, Vernon; Mr. and Mrs. J. A. Storey, Vernon; Miss Inez Storey, Vernon; Mrs. A. S. Doerr, San Antonio, and Miss Ruth Drumwright, of Teague.

OLLIE PARKER, Oracle.

Card of Thanks. We wish to thank our many friends and neighbors for the kind sympathy bestowed upon us during illness and death of our dear Deway Wesley.

MIL and MRS. O. L. SANDERS.

Have You Appendicitis and Don't Know It?

Much so-called stomach trouble is really chronic appendicitis. This is often relieved by simple medicine, buckthorn bark, etc., as used in Adlerika. Most medicines only act on lower bowel but Adlerika acts on BOTH upper and lower bowel, and removes all gasses and poisons. Brings out matter you never thought was in your system. Excellent for obstinate constipation.

BERGSON DRUG COMPANY

Vauclain Will Assist Mexican Railroads.

SAMUEL M. VAUCLAINE.

Samuel M. Vauclain, president of the Baldwin Locomotive Works, is on his way to confer with President Obregon in Mexico City regarding the financing of equipment for the National Railways. It is said \$6,000,000 will be required to restore the road and equipment to normal.

MRS. RODGERS ENTERTAINS BRIDAL BRIDGE CLUB

Mrs. S. C. Rodgers of Wilbarger street was hostess to the members of the Friday Bridge club that afternoon. Three tables of guests played. MILLIONAIRE BOOT BLACK STOPS HERE ON WORLD TOUR

Shines Shoes for Traveling Expenses—Is To Tour the World in Five Years Returning to United States in 1928

To have your shoes shined by a millionaire is a privilege that does not come in every one's life, but many citizens of Vernon are enjoying the privilege since A. L. Vuillmot, millionaire bootblack, is stopping at the Hotel Vernon. The boot black is going around the world on a \$500,000 wager that he can not make his way around the world in five years, shining shoes.

Mr. Vuillmot left Washington, D. C. June 1, 1923, and has been in Cuba, Mexico, Canada and 46 states having yet to go to Arizona and California. It is stipulated in the contract of the wager that Mr. Vuillmot is not to accept a ride from any one on the road and that he is to earn all of his expense money from shining shoes. He places no price on shining shoes but if a man gives him 1 cent that pays for the shine. If the customer fails to have any change and gives him a ten dollar bill, no change is given back. Yesterday afternoon while in the lobby of the Hotel Vernon, Mr. Vuillmot was very busy. He shined shoes for a record reporter and took as payment for the shine, a classified ad. D. M. Capton, traveling salesman for the Detroit Steel Products Company gave a Detroit Spring for his Ford coupe in payment for a shine. Mr. Vuillmot states that he has received many different prices as payment for shines. "Once," he said, "I was given a small pig and another man in Georgia gave me a small dress."

This is the second trip of the kind that Mr. Vuillmot has taken, the other being a wager trip that he could go across the United States and return, chained to a wheelbarrow. He made the trip and collected his wager and is now going around the world on a second wager. He is to go to the Capitol of every state in the United States and to every country in the world. For the first 8 months and three days he has walked but now has earned enough money to purchase a Ford coupe and as long as he can make enough money for its upkeep he will be allowed to ride.

He is a native of Louisiana, having been born at New Iberia and is 56 years old. He carries a ledger with him containing the signatures of officials in the county seats, state capitals and national capitals. He has the signature of 4 presidents, 46 governors and 300,000 other persons. All of the signatures have been signed with the same pen and the boot black hopes to get all of the signatures on this trip signed with it.

ELECT OFFICERS FOR STATE WOMAN'S ATHLETIC ASSN.

Officers have just been elected for the 1924-25 session of the University of Texas by members of the Woman's Athletic Association. Florence Smith of Tyler was elected president, succeeding Rosalie Biggio, of Laredo.

Others officers elected are the following: Vice president, Lois Derby, of Laredo; Helen Sandel, of Dallas; treasurer, Rosemary Walling, Austin; recording secretary, Evelyn Abbehear, Austin.

An Outing Club for girls participating in minor sports such as bicycling, skating, and horseback riding, has been added to the Association, and Miss Ruth Alexander, of Dallas, was elected president.

The W. A. A. of the University of Texas is affiliated with the Athletic Conference of American College of Women, and two delegates from the University recently attended the national conference in Berkeley, California. It was pointed out at the conference that Texas has the largest Woman's Athletic Association of all the schools represented.

Miss Massie To Graduate. Miss Mary Catherine Massie, daughter of Mr. and Mrs. F. L. Massie, of Vernon, will graduate from the Roswell, New Mexico high school May 23. Miss Massie has been making her home there for some time with her aunt, Miss Grace Massie.

Vaughn Quartet at Lockett. The Vaughn quartet will give a concert at Lockett school house next Thursday night. The quartet is composed of J. E. Hamilton, manager, J. L. Jamison, F. N. Trigg and R. E. Vaughn.

Notice. All members of E. T. Murchison Chapter No. 424, who are in arrears for dues are requested to pay them this month as the books are being closed for the year ending May 31.

MRS. MARION LADD, Sec.

MEN AND WOMEN IN NEWS OF THE DAY.

Above: NICHOLAS M. BUTLER & FRANKLIN D. ROOSEVELT
Below: WILLIAM T. COLLINS & MISS AILSA MELLON

Franklin D. Roosevelt, former Assistant Secretary of the Navy in the Wilson Administration, has been selected to head the committee that will seek the Democratic Presidential nomination for Governor A. E. Smith, of New York. Nicholas Murray Butler, president of Columbia University, in a speech in New York demanded the repeal of the 18th Amendment. William T. Collins, vice-chairman of the Board of Aldermen of New York City, is prominently mentioned as the successor of Charles F. Murphy as leader of Tammany Hall. Miss Ailsa Mellon, daughter of the Secretary of the Treasury, is ill with measles in Washington.

DR. DICKENSON PREACHES AT GUANAH AND MATADOR. Dr. R. E. Dickenson, pastor of the First Methodist Church here, preached the inaugural sermon at Guanah Sunday morning to a class of 22 boys and 24 girls. The capacity of the church is 1200 people and many people were turned away because they could not get into the building. Sunday night in the High school auditorium at Matador, Rev. Dickenson preached a similar sermon to a class of 5 boys and 6 girls. The majority of the graduates of the two schools declared their intentions to attend some college or university next fall.

Mr. and Mrs. Frank Farley.

The great white wing of the angel of death has come among our midst in all power and wisdom and claimed the souls of our dearly loved brother and sister, Mrs. and Mrs. Frank S. Farley.

Mr. and Mrs. Farley have been reared among us, both came to this place when still in their early childhood. Their marriage in February, 1903, united two of the oldest residents of this section they would be called pioneer citizens. Mrs. Farley before her marriage was Mary Bell Simpson, the second daughter of Mr. and Mrs. Tom Simpson, who resided in this place for over thirty years, and who now reside at Crosbyton, Texas, was a companion in the earlier days. Mrs. Farley will be remembered by her many friends, as one of the most gentle, sweet and lovable Christian characters that any one has ever known. A kind and faithful mother to seven bright and beautiful children, and some day we hope to see them as a monument to her good name, and as God watches over her little ones, she sleeps peacefully in His arms.

Mr. Farley as the last son of Mr. and Mrs. Farley, long ago deceased, pioneer citizens of this section. Frank was born in Baylor County, Texas, and was forty-two years of age at his death. It is to be said of Frank Farley that there was never a more honorable, straight, upright Christian character than was he, a good husband, kind and loving father to his wife and seven children. A more pleasant memory could not be left on this earth and as his five boys grow to manhood we hope that they continue to bear

his good name.

The deceased have left in our midst and in their memory seven children, from the oldest to the youngest they are as follows: Howard, age 21 years; Virgil, 19 years; Raymond, 17 years; Baby Frank, Jr., 4 years, and two daughters, Lorette, 12 years and Anna Bell, who is 8 years.

Frank, Jr., has gone to make his home with an aunt, a sister to his mother, Mrs. Roy L. Carter, of Wichita Falls, Texas. Lorette and Anna Bell and Raymond will make their home with their grand parents, Mr. and Mrs. Tom Simpson at Crosbyton, Texas; Virgil will make his home with an uncle, V. C. Simpson, also of Wichita Falls, and Howard and Wilbur will make their home here in Vernon with an aunt, Mrs. J. W. McCreary.

Mr. Farley left as his only living relatives, a brother, J. A. Farley, of Fort Worth, who stayed at his bedside during his five months' illness, with his son, Virgil, there, when the end came, and a half sister, Mrs. Jno. Barcus, of Cleburne, Texas.

Mrs. Farley left, both father and mother, Mr. and Mrs. Tom Simpson, three sisters, Mrs. Roy L. Carter of Wichita Falls; Mrs. Hub Davis of Crosbyton, Texas, and Miss Carmen Simpson, Wichita Falls, and two brothers, Ross C. Simpson, Shiloh, Texas, V. C. Simpson, Wichita Falls, Texas.

It is the prayers of the citizens of Vernon that these children who have been left without either father or mother will hold on through the years that are facing them and bear to the end the good names that have been given them.

A FRIEND.

The Age of Specialism

Our store is especially equipped with every modern improvement known to science and we devote ourselves to the scientific examination of the eye and the fitting of glasses.

Relief for your individual trouble is our service.

E. M. Leutwyler
Optometrist

HOME SCIENCE CLUB HAS LAST MEETING OF YEAR

Mrs. J. N. Johnson, president of the Home Science club, and delegate to Lubbock to the meeting of the Seventh District Federation of Clubs, gave a very comprehensive report of the proceedings of the meeting at the home of Mrs. H. D. Hackersmith of West Paradise, Friday afternoon, at a regular meeting of the club.

Mrs. J. A. Lucky gave a history of the origin of "Mothers' Day."

Roll call was answered by quotations on Mother. The assistant hostesses, Mesdames J. W. Wheatley, D. H. Henry, Luther Webb, W. G. McDonald, and R. S. McCondie served a delicious two-course luncheon. The next meeting of the club will be held October 10 with Mrs. Eugene Keltz.

SUMMER COTTONS

Wildflower Tints
Floral Patterns

Fabrics for Cool Frocks Boyish or Beruffled

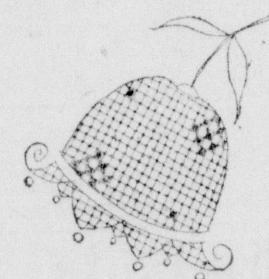

Your enjoyment of summer depends largely upon plenty of cool frocks to keep you feeling fresh and looking immaculate. The youthfully simple modes of the season are easy to make, and by choosing lovely and moderately priced fabrics here you may have all the frocks your heart desires; from the trimmest tailored linen to the sheerest, laciest frivolity for dance and garden-party.

Fancy Voiles in Many Delectable Tints

GENTIAN blue, miss green, sunflower yellow and cosmos pink, as well as white, are some of the colors in which you may choose these exquisitely patterned Voiles. Cross-barred, flock-dotted, hand-drawn or plain, they are much in demand for dainty frocks and lingerie, per yard

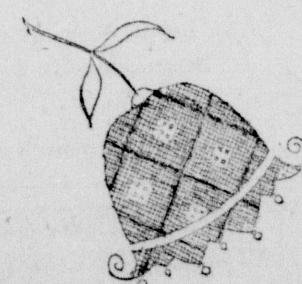

50c to \$1.00

Ginghams Gay with Popular Plaids

If there's anything more expressive of youthful buoyance than a rose and black checked Gingham, it's a Gingham gaily plaided all over. The best way to decide between them is to choose both. The cost is so trifling you will do well to add a changeable Gingham, in cosmos pink, perhaps—and then you will be certain of three adorable frocks!
